

State Reforms Action Plan

2020-21

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform
1.	Investment Enablers	Access to Information and Transparency	Design and implement an online wizard/system with the following features: i. Where an investor can key in specific details (such as type of industry, number of employees, location etc.) and obtain information regarding all State approvals applicable to establishing (pre-establishment) & starting operations (pre-operations) of her/his business/industrial unit ii. The online wizard should provide links to online application forms for licenses/ NOCs required by users and their relevant notifications wherever necessary (pre-establishment & pre-operation). iii. The online wizard should provide details such as time taken, fees, procedures, comprehensive list of documents required, Departments involved for the applicable NOCs/registrations etc. iv. Mandate to include additional new regulation or license in the online wizard/system within 30 days	
2.		Access to Information and Transparency	Enact a legislation (e.g. Right to Services Act/Public Service guarantee Act) to mandate time-bound delivery of services to Industries/ Businesses. Ensure that the time-bound service delivery legislation defines punitive provisions that deter officials from not complying with the defined timelines for services being provided to Industries/ Businesses	
3.		Access to Information and Transparency	Mandate that each proposed regulation or license (before it is enacted) ensure coverage of following criteria displayed on the website: i. Legal Basis - Does it have a basis in law/act/policy ii. Its necessity - Does the license help government achieve its objectives iii. Its business-friendly - Does it impose minimum burden on businesses to achieve the government's objectives	Yes
4.		Access to Information and Transparency	Mandate and make arrangements to publish draft business regulation online and invite public comments/ feedback on the same prior to enactment - The period of display should be at least 30 days	Yes
5.		Access to Information and Transparency	Mandate and make arrangements to publish the comments/feedback received on the draft business regulation and how they were addressed in the final regulation	
6.		Investors' Facilitation Center/ Investment Promotion Agency	Establish an Investors' Facilitation Center/ Investment Promotion Agency in State through a legislation for investment promotion, industrial facilitation, regulatory reforms and obtaining user feedback. The Investors' Facilitation Center/ Investment Promotion Agency functions as the sole point of contact in the State/ UT for the purpose of setting up a business	
7.		Investors' Facilitation Center/ Investment Promotion	Define working procedures (including service timelines, assignment of relationship managers, reverting to investors, in-built sectoral expertise etc.) for Investors' Facilitation Center/ Investment Promotion Agency for: 1) Queries handling;	Yes

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform
			2) Grievance handling;	
8.		Investors' Facilitation Center/ Investment Promotion	Mandate that all queries regarding the application from the investor to be recorded and addressed within a timeline of 15 days from the date of queries raised under the PSDG Act/ any equivalent Act	
9.		Investors' Facilitation Center/ Investment Promotion	Mandate that all queries/clarifications related to industrial applicants are sought once and within 7 days of receiving the application from the investor	
10.		Investors' Facilitation Center/ Investment Promotion	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for queries handled and grievances resolved by the Investors' Facilitation Center/ Investment Promotion Agency. The dashboard should clearly highlight the number of queries/ grievances and the time taken (Mean/ Median) to address them.	Yes
11.		Incentives	Publish a comprehensive list of incentives applicable to all industry in the state (sorted by sector)	
12.		Incentives	Ensure that the single window provides clear timelines under the PSGA Act or any equivalent act for incentive approvals and disbursement	
13.		Incentives	Ensure that incentives are provided as a service through the online single window system in a manner that allows online application, payments, tracking of status and approvals	
14.		Incentives	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for incentives application submission & approvals (incentives disbursed) on the online single window system. The dashboard should clearly highlight the number of companies that were provided incentives and the time taken for approval (Mean/ Median)	Yes
15.		Land Allotment	Provide data of all land banks (vacant plots) in State/UT-owned industrial estates (estate-wise) on one online system/ portal in public domain. The land bank should provide details/industries/sectors for which the land can be used	
16.		Land Allotment	Design and implement a GIS system to provide details about the land earmarked for industrial use across the State and integrate with Industrial Information System of DPIIT	Yes
17.		Land Allotment	Ensure that the GIS system provides details about available connectivity infrastructure (including road, rail, airports), utility infrastructure (including electrical substations) other infrastructure (including police station, fire station), hospitals and education institutions for all State-owned industrial estates	combin ed
18.		Land Allotment	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate	

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform
			v. Third party verification	
19.		Land Allotment	Define objective criteria, for evaluating land allotment application within industrial estate of State Government Ensure provision of land/ shed allotment for industrial units on rental/ lease model is provided as an option	
20.		Land Allotment	Ensure infrastructure and facilities are developed with all requisite clearances and permissions and offer plug and play option for promoting sectoral investments of land earmarked for industrial purpose	Yes
21.		Land Allotment	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for evaluating land allotment application for industrial use	
22.		Land Allotment	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for application submission & approvals for land allotment. The dashboard should clearly highlight the number of land allotments and the time taken for approval (Mean/ Median)	Yes
23.		Online Single Window System	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	
24.		Online Single Window System	Ensure that the Single Window System sends out SMS/e-mail notification to the applicant as and when the application is submitted and/or query is raised and/or application is approved/rejected	
25.		Factories, Boilers & Labour (registration & Renewals)	Ensure that the following services are provided through the online single window system - Registration and renewal of license under The Factories Act, 1948	
26.	Single Window System –	Factories, Boilers & Labour (registration & Renewals)	Ensure that the following services are provided through the online single window system - Approval of plan and permission to construct/extend/or take into use any building as a factory under the Factories Act, 1948	
27.		Factories, Boilers & Labour (registration & Renewals)	Ensure that the following services are provided through the online single window system - Registration and Renewal of Boilers Manufactures under The Boilers Act, 1923	
28.		Factories, Boilers & Labour (registration & Renewals)	Ensure that the following services are provided through the online single window system - Registration and Renewal of Boilers under The Boilers Act, 1923	
29.		Factories, Boilers & Labour (registration & Renewals)	Ensure that the following services are provided through the online single window system - License and renewal of license for contractors under provision of The Contracts Labour (Regulation and Abolition) Act, 1970	

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform
30.		Factories, Boilers & Labour (registration & Renewals)	Ensure that the following services are provided through the online single window system - Registration and renewal (if applicable) under The Shops and Establishment Act	
31.		Factories, Boilers & Labour (registration & Renewals)	Ensure that the following services are provided through the online single window system - Registration of principal employer's establishment under provision of The Contracts Labour (Regulation and Abolition) Act, 1970	
32.		Factories, Boilers & Labour (registration & Renewals)	Ensure that the following services are provided through the online single window system - Registration under The Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996	
33.		Factories, Boilers & Labour (registration & Renewals)	Ensure that the following services are provided through the online single window system - Registration of establishment under the Inter State Migrant Workmen (RE&CS) Act, 1979	
34.		Online single window system Approvals/Renewals (Environment)	Ensure that the following services are provided through the online single window system - Consent to Establish under the Air (Prevention and Control of Pollution) Act, 1981)&Water (Prevention and Control of Pollution) Act, 1974	
35.		Online single window system Approvals/Renewals (Environment)	Ensure that the following services are provided through the online single window system - Consent to Operate under the Air (Prevention and Control of Pollution) Act, 1981)& Water Act (Prevention and Control of Pollution) Act, 1974	
36.		Online single window system Approvals/Renewals (Environment)	Ensure that the following services are provided through the online single window system - Authorization under the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016	
37.		Online single window system Approvals/Renewals (Environment)	Ensure that the following services are provided through the online single window system - Registration/ Renewal under The E-waste (Management and Handling) Rules, 2011	Yes
38.		Online single window system Approvals/Renewals (Environment)	Ensure that the following services are provided through the online single window system - Registration / Renewal under Plastic Waste (Management and Handling) Rules, 2011	Yes
39.		Online single window system Approvals/Renewals (Land)	Ensure that the following services are provided through the online single window system - Allotment of land in Industrial Area	
40.		Online single window system Approvals/Renewals (Land)	Ensure that the following services are provided through the online single window system - Change in Land use	
41.		Online single window system Approvals/Renewals (Tax)	Ensure that the following services are provided through the online single window system - Registration under Profession Tax	

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform
42.		Online single window system Approvals/Renewals (Tax)	Ensure that the following services are provided through the online single window system - Registration under State Excise for Label Registration	Yes
43.		Online single window system Approvals/Renewals (Tax)	Ensure that the following services are provided through the online single window system - Registration under State Excise for Brand Registration	Yes
44.		Online single window system Approvals/Renewals (Tax)	Ensure that the following services are provided through the online single window system - License under State Excise for local sale, Import and export permit of Spirit and Indian-made foreign liquor (IMFL)	Yes
45.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Registration under Legal metrology/Weights & Measures	
46.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Registration for Trade License	
47.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Signage License for advertisement (registration and Renewal)	Yes
48.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Fire License (registration and Renewal)	Yes
49.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - State Cinema Regulations Rules (registration and Renewal)	Yes
50.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Police and Traffic for Movie Shooting (registration and Renewal)	Yes
51.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Municipal Corporation of State for Movie Shooting (registration and Renewal)	Yes
52.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - State Protected Monument for Movie Shooting (registration and Renewal)	Yes
53.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Permission from District Collector for Movie Shooting (registration and Renewal)	Yes
54.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Hotels (registration and Renewal)	Yes
55.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Travel Agency (registration and Renewal)	Yes

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform	
56.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Tourism Events- Performance License (registration and Renewal)	Yes	
57.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Approval for DG set installation (registration and Renewal)	Yes	
58.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Mobile Tower Approval (registration and Renewal)	Yes	
59.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Retail Drug License (Pharmacy) (registration and renewal)		
60.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Wholesale Drug License		
61.		Online single window system Approvals/Renewals (Sectoral Licenses)	Ensure that the following services are provided through the online single window system - Drug Manufacturing License (registration and renewal)		
62.		Online single window system Approvals/Renewals (Utilities)	Ensure that the following services are provided through the online single window system - Electricity Connection		
63.		Online single window system Approvals/Renewals (Utilities)	Ensure that the following services are provided through the online single window system - Water Connection		
64.		Online Single Window System	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for application submission & approvals by each department/service on the online single window system. The dashboard should clearly highlight the number registrations/ renewals and the time taken for approval (Mean/ Median)	Yes	
65.		Land administration and Transfer of Land and Property	Property Registration	Digitize and publish online land transaction deeds (conveyance deed/property registry /Lease etc./-) of last 20 years at all sub-registrar offices. i. Transaction history for the last 20 years should be available ii. Soft copy of all registered deed should be available online. iii. The searchable metadata available should be: Property ID, Survey no., Registration number, Registration date etc. iv. The website should clearly state that the information provided online is updated, and no physical visit is required	
66.			Property Registration	Digitize and publish online the updated Records of Rights (ROR) at all land records offices i. Transaction history for the last 20 years should be clearly published on the website ii. The searchable metadata may include: - Survey no., Registration number, Registration date, Conveyance	

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform
			deed/property registry iii. The website should clearly state that the information provided online is updated, and no physical visit is required	
67.		Property Registration	Digitize and publish data of Property Tax payment dues online in public domain for all the Urban Local Bodies (ULBs) in the State/UT. The searchable metadata available should be: i. Name of the Property Tax payer ii Survey no. of land / Unique Identification no. of property The website should clearly state that the information provided online is updated, and no physical visit is required	
68.		Property Registration	Mandate that each property (Unique Property ID including vertical structures such as apartments etc.) and plot (survey number) should have a unique id for all rural and urban areas.	
69.		Property Registration	Design an online system which will have the facility to auto-calculate the levy area-wise and enable online payment of property tax	
70.		Property Registration	Digitize cadastral maps of all rural and urban areas in the State/UT on department website and make them available in public domain	
71.		Property Registration	Integrate all land/property related records of ownership and encumbrances on one single online portal including: i. Data of land transaction deeds for last 20 years at all sub-registrar offices (Registration number, Registration date, Survey no.), ii. Updated Record of Rights at all Revenue department offices (Date of mutation), and iii. Data of Property Tax payment dues at all urban areas of the State/UT (Name of the Property Tax payer, Property Tax dues) iv. Revenue Court case data (Court case number, Name of parties involved, Date of filing of court case, Status of case [Ongoing/Resolved]) v. Civil Court case data (Court case number, Name of parties involved, Date of filing of court case, Status of case [Ongoing/Resolved]) vi. Integrate with CERSAI vii Integrate with utilities (electricity & water) viii Integrated with cadastral maps The website should be publicly accessible and should clearly mention that the website is updated, and no physical visit is required. The integration should be done for all areas of the State/UT.	
72.		Property Registration	Design and implement an online system and mandate the following features for registering property (for all types of land tenure) i. Online submission of information for property registration ii. Online Stamp duty calculator iii. Online payment of application fee - Stamp duty and registration fees	

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform	
73.		Property Registration	The online system should have the facility of auto generation of appointment (date and time) on making the required payment online at respective SRO offices		
74.		Property Registration	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for application submission & approvals for property registration. The dashboard should clearly highlight the number of registrations done and the time taken for approval (Mean/ Median)	Yes	
75.		Property Registration	Mandate that the registered deed should be issued on the same day as the day of appointment.		
76.		Property Registration	Publish fee details on the department website for the following: i. registration of deed ii. Mutation at Land records office iii. Mutation/name change at ULB iv. Mutation/name change at electricity and water department v. access to cadastral maps		
77.		Property Registration	Integrate starting process of mutation with the registration process and allow intimation of mutation as soon as the deed is registered (including land Records Office, ULBs, Utilities)		
78.		Property Registration	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for application submission & approvals for mutation (at land records, utilities, ULBs). The dashboard should clearly highlight the number of mutations done and the time taken for approval (Mean/ Median)		
79.		Change in Land Use	Change in Land Use	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for processing of application and decision (approval/ rejection) for conversion of land/ change in land use (from the date of application) for land outside of industrial parks/ Industrial Development Corporations (IDC)	Yes
80.			Change in Land Use	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	Yes
81.	Change in Land Use		Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for application submission & approvals. The dashboard should clearly highlight the number of applications and the time taken for approval (Mean/ Median)	Yes	
82.	Environment Registration Enablers	Environment Registration	Allow for renewal of Consent to Operate (under Water Act, 1974 and Air Act, 1981) based on self-certification/ third party certification		
83.		Environment Registration	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for application submission & approvals for number of companies that opted for self-certification/ third party certification.		
84.		Environment Registration	Allow validity period of Consent to Operate for period of 5 years and above.		

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform
85.		Consent to Establish under the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1974	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
86.		Consent to Establish under the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1974	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	
87.		Consent to Establish under the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1974	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	
88.		Consent to Operate under the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1974	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
89.		Consent to Operate under the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1974	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	
90.		Consent to Operate under the Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1974	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	
91.		Authorization under the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
92.		Authorization under the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	
93.		Authorization under the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	
94.		Registration/ Renewal under The E-waste (Management and Handling) Rules, 2011 (under Chap0074er III) (effective from May 2012)	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
95.		Registration/ Renewal under The E-waste (Management	Define clear timelines mandated through the Public Service Delivery Guarantee Act	Yes

State Business Reform Action Plan

		and Handling) Rules, 2011 (under Chapter III) (effective from May 2012)	(or equivalent) legislation for approval of complete application	
96.		Registration/ Renewal under The E-waste (Management and Handling) Rules, 2011 (under Chapter III) (effective from May 2012)	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	Yes
97.		Registration/ Renewal under Plastic Waste (Management and Handling) Rules, 2011	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
98.		Registration/ Renewal under Plastic Waste (Management and Handling) Rules, 2011	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	Yes
99.		Registration/ Renewal under Plastic Waste (Management and Handling) Rules, 2011	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	Yes
100.		Environment Registration	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for Consent/registrations/renewals granted under the following acts: i. The Water (Prevention and Control of Pollution) Act, 1974 ii. The Air (Prevention and Control of Pollution) Act, 1974 iii. Authorization under the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 iv. Plastic Waste (Management and Handling) Rules, 2011 v. E-waste (Management and Handling) Rules, 2011 (under Chapter III) (effective from May 2012). The dashboard should clearly highlight the number of registrations done and the time taken for approval (Mean/ Median)	
101.		Registration of Factories under The Factories Act, 1948	Introduce a provision for allowing the validity of license under the Factories Act, 1948 to be 10 years or more.	
102.		Registration of Factories under The Factories Act, 1948	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
103.	Labour Regulation Enablers	Registration of Factories under The Factories Act, 1948	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	
104.		Registration of Factories under The Factories Act, 1948	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate	

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform
			v. Third party verification	
105.		Renewal of Factories Registration under The Factories Act, 1948	Eliminate the requirement of renewal of registration or allow system to process the submission of auto-renewal	Yes
106.		Approval of plan and permission to construct/extend/or take into use any building as a factory	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
107.		Approval of plan and permission to construct/extend/or take into use any building as a factory	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	
108.		Approval of plan and permission to construct/extend/or take into use any building as a factory	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	
109.		Third party certification for boilers under Boilers Act 1923	Introduce a provision for third party certification for boilers during use u/s 34(3) of the Boilers Act, 1923, by authorizing Boiler Operation Engineer (BoE) having the following qualification: 1. Graduate in Mechanical/ Production/ Power Plant/ Metallurgical engineering from a recognized institution; and 2. Minimum 5 years of experience in the field related to boilers	
110.		Registration and Renewal of Boilers under The Boilers Act, 1923	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
111.		Registration and Renewal of Boilers under The Boilers Act, 1923	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	
112.		Registration and Renewal of Boilers under The Boilers Act, 1923	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	
113.		Registration of Boilers Manufactures under The Boilers Act, 1923	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
114.		Registration of Boilers Manufactures under The Boilers Act, 1923	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	
115.		Registration of Boilers Manufactures under The Boilers Act, 1923	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform
116.		Labour Regulation enabler	Mandate online filing of single integrated return under all the labour laws applicable in the State/UT	
117.		Labour Regulation enabler	Ensure provision of maintaining online / digital registers and records under all labour acts (applicable to all industries)	Yes
118.		Labour Regulation enabler	Registration under Shops & Establishment AND/OR Trade License to be given through a single form.	Yes
119.		Labour Welfare Act	Mandate that the contributions under Labour welfare act should be made through an online system	Yes
120.		License for contractors under provision of The Contracts Labour (Regulation and Abolition) Act, 1970	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
121.		License for contractors under provision of The Contracts Labour (Regulation and Abolition) Act, 1970	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	
122.		License for contractors under provision of The Contracts Labour (Regulation and Abolition) Act, 1970	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	
123.		Renewal of license for contractors under provision of The Contracts Labour (Regulation and Abolition) Act, 1970	Eliminate the requirement of renewal of registration or allow system to process the submission of auto-renewal.	Yes
124.		Registration under The Shops and Establishment Act (including 365 days license)	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	
125.		Registration under The Shops and Establishment Act (including 365 days license)	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application	
126.		Registration under The Shops and Establishment Act (including 365 days license)	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification	
127.		Registration under The Shops and Establishment Act (including 365 days license)	i. Eliminate the requirement of Inspection prior to registration ii. Ensure that the final registration is granted within one day from the date of application	
128.		Registration under The Shops and Establishment Act (including 365 days license)	Eliminate the requirement of Renewal of registration	
129.		Registration/Renewal of principal employer's establishment under provision of The Contracts Labour (Regulation and Abolition) Act, 1970	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site	

State Business Reform Action Plan

			(Regulation and Abolition) Act, 1970 iv. Building and Other construction workers Act v. Establishment under the Inter State Migrant Workmen (RE&CS) Act,1979 vi. Factories Act vii. Registration/renewals under Boiler Act viii. Registration/ renewals under Boiler Manufacturer The dashboard should clearly highlight the number of registrations done and the time taken for approval (Mean/ Median)	
140.	Obtaining Utility Permits	Obtaining Electricity connection	Implement a system that allows online application submission, payment and tracking of status without the need for a physical touch point for document submission for new electricity connection and mandate that all applications are submitted online	
141.		Obtaining Electricity connection	Reduce the number of mandatory documents required for obtaining the electricity connection to: i. proof of identity of the user ii. proof of ownership/occupancy (in case of owned/leased premise) iii. authorization document (in case of firm or company)	
142.		Obtaining Electricity connection	Ensure that the regulator publishes monthly or quarterly the data regarding total duration and frequency of outages online in public domain	
143.		Obtaining Electricity connection	Ensure that information on effective tariffs are available online, and that customers are notified of a change in tariff ahead of the billing cycle	
144.		Obtaining Electricity connection	Discoms notify customers of planned outages (maintenance and load shedding) for next 1 month in advance	
145.		Obtaining Electricity connection	Stipulate that charged electrical connections (up to 150 KVA) is provided within Seven days (where no 'Right of Way' (RoW) is required) and in Fifteen days where RoW is required from concerned agencies	
146.		Obtaining Electricity connection	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for all the new electricity connections provided in the state	Yes
147.		Obtaining Electricity connection	Design an online system for e-payment of bills on the portal of the discoms	
148.		Obtaining Water connection	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application v. Third party verification	
149.		Obtaining Water connection	Display information on tariffs (in Rs. per kL) and notify customers of change in tariff ahead of the billing cycle (for commercial and industrial users)	
150.		Obtaining Water connection	Develop an online system for e-payment of bills	

State Business Reform Action Plan

Sr. No.	Area	Sub - Area	Reform	New Reform	
151.		Obtaining Water connection	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for obtaining water connection		
152.		Obtaining Water connection	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for all the new water connections provided in the state	Yes	
153.	Paying Taxes	GST	Set up service centers to assist taxpayers for e-filing of returns under the State/Union Territory GST Act		
154.		GST	Establish a helpline providing basic services such as assisting users in preparing and filing returns under the State/Union Territory GST Act		
155.		GST	Constitute an authority for advance ruling under the State Goods Service Tax and publish details of application procedure and checklist on the Department's website		
156.		GST	Constitute an appellate authority for advance ruling under the State Goods Service Tax and publish details of application procedure and checklist on the Department's website		
157.		Other Taxes / Levies	Publish a list of all state, municipal and panchayat levies and include the relevant information pertaining to the rates and tariff levied by the State and local bodies on the online portal		
158.		Profession tax	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site		
159.		Profession tax	Define clear timelines mandated through the Public Service Delivery Guarantee Act (or equivalent) legislation for approval of complete application		
160.		Profession tax	Design and implement an online single window system and mandate the following features without the requirement of physical visit to the department: i. Submission of application ii. Payment of application fee iii. Track status of application iv. Download the final signed certificate v. Third party verification		
161.		Profession tax	Design and implement a system for online filing of returns and for online payment of tax as provided under the State Act and rules thereunder		
162.		Profession tax	Mandate that the final profession tax registration certification (where applicable) will be issued within at most one (1) working day from the date of submission of application form		
163.		Profession tax	Publish an online dashboard available in public domain updated regularly (weekly/fortnightly/monthly) for application submission & approvals for profession tax. The dashboard should clearly highlight the number of registrations done.		
164.		State Excise	State Excise	Ensure information on fees, procedure and a comprehensive list of all documents that need to be provided are available on the web site
